

2020 Aviation Scholarships

Inspire Aviation is an Ohio based 501(c)(3) nonprofit charity. Our mission is to help educate the general public in areas of Aviation and other STEM (Science, Technology, Engineering, & Math) related topics. In keeping with these goals; 2020 will be our inaugural year of awarding scholarships for flight training, STEM education, and commercial drone operator certification, to those who share our passion and wish to promote General Aviation. These scholarships are co-sponsored by Aerotrek Flight Academy and Plane & Pilot News.

The awarding of these scholarships and funds shall be administered by Inspire Aviation and will be used solely for the purposes described. Aviation training funds are only redeemable at Aerotrek Flight Academy.

Applicants shall be a US citizen, at least 16 years of age as of Aug 16th 2020, and reside in Ohio. Applicants for the Private Pilot scholarship must reside within a reasonable commuting distance of Wadsworth Airport to complete training. Successful applicants will demonstrate a strong passion in general aviation, have the motivation to complete the rigorous training program, and be academically responsible & involved in their community. The private pilot scholarship winner must have the ability to obtain at least a 3rd class Medical Certificate before the scholarship is awarded. (See Federal Aviation Regulations 67 and 61.23 for details). Scholarships are awarded based on merit and interest in a career in the aviation industry. There will be no discrimination based on age, sex, color, race or religious belief.

The Selection Committee will consist of five members from the Inspire Aviation Board with the Board president serving as the Chair of the Selection Committee. The Selection Committee will have full and final authority in selecting the winning candidate and *may* require an interview to finalize selections.

Three separate scholarships will be awarded; provided suitable candidates are selected. Applicants may apply for more than one scholarship, but must do so individually.

Private Pilot initial training: funds will be placed on account at Aerotrek Flight Academy, Wadsworth OH, for the student pilot to complete Private Pilot ground school, receive approx. 20 hours of flight instruction, and free mentoring/tutoring from our staff of volunteer ground instructors. Winner will also receive a David Clarke aviation headset. Note: 40 flights hours and age 17 are the min requirements to become a FAA licensed pilot.

STEM Education Scholarship, \$500: funds will be placed on account at Aerotrek Flight Academy, Wadsworth OH, for any flight training. Funds may also be used for STEM related education at a college, university, or other accredited program approved by the selection committee.

FAA certified Drone Pilot training: funds will be placed on account at Aerotrek Flight Academy, Wadsworth OH, for the student pilot to complete the FAA part 107 commercial drone operator course. Includes meals, and cost of taking the FAA exam. Potential careers are limitless with the rapid increase in commercial drone operations and the demand for drone pilots.

All applicants will receive 4 free tickets to Props and Pistons Festival.

Scholarship winners are required to attend our VIP dinner on Aug 14th 2020.

Upon notification of selection you are required to supply a suitable photograph or meet with our photographer for individual photos. (This photo may be used for publicity and by providing the photo constitutes permission to use the photo for this purpose.)

Applications must be post marked or emailed on or before the date prescribed. Under no circumstances will late applications be considered. We are not responsible for applications lost in the mail and encourage email as the primary means to apply. If you do not get a confirmation email within 5 days please follow-up at 330-807-4065

Use of the scholarships will be completed within one year from award. In the event the recipient does not make satisfactory progress, or does not conduct himself or herself in a manner consistent with the standards of the school, Inspire Aviation has the right to revoke the award. Inspire Aviation retains the right to request progress reports from the training facility if requested. Inspire Aviation may exercise judgment as to whether training can be deferred for a reasonable period on a case by case basis.

The winners will be **notified on or about July 1st**, of each year. Below is the application to be filled out by the applicant:

.....**Detach and return bottom portion by May 15th 2020**.....

Name: _____

Address: _____

City: _____ State: _____ Zip code: _____
